

NATIONALLY AVAILABLE TRAINING PLACEMENTS

'Nationally Available Training Placements' (NATP) offer Public Health Specialty Registrars (StRs) opportunities to acquire specific additional or contextual experience at a national level and develop specialist leadership knowledge and skills.

These placements will be listed on the Faculty website to signpost Registrars to these organisations. The local deanery processes for approval of a Registrar request for undertaking these placements apply.

The Faculty of Public Health will add placements to the list which will meet the following criteria.

Criteria:

The Placement must offer unique training opportunities which are not available locally

It is a GMC approved placement

The host organisation approves

Application is supported by the local heads of school / training programme director

The placement is Advertised to all registrars nationally with a fair selection process

PLEASE COMPLETE THE FORM IN BLOCK CAPITAL LETTERS

Please complete and return the signed form to educ@fph.org.uk. Please ensure that all sections are completed.

PLEASE PROVIDE DETAILS OF THE UNIQUE OPPORTUNITIES THIS PLACEMENT OFFER TO SPECIALTY REGISTRARS?

The placement provides a fantastic opportunity to:

- Work in a fast-paced role in global health
- Contribute to delivery of UKHSA's global health priorities
- Contribute to developing and writing proposals for new grant or ODA funded global health initiatives
- Apply a wide range of public health skills such as negotiating and influencing, strategic leadership and collaborative working, evaluation and appropriate use of public health evidence in an international context and with external stakeholders

The placement will enable the registrar to gain an improved understanding of:

- The key institutions relevant to global public health and global health governance
- International instruments/ regulations/ plans relevant to global and domestic public health
- The cross-government approach to global health and wider UK based activity on global public health
- UK overseas aid processes

See advert for more details.

EQUAL ACCESS ARRANGEMENTS (Please explain how you would ensure this placement is accessible to all suitable trainees across the UK)

Applicants are encouraged to apply across the UK (including devolved administrations). Flexible working is supported although there is an expectation that trainees will spend some time in the London office (e.g. away days, team meetings) and short-term international travel for meetings and projects (from 1 day up to 6 weeks)
