

Connections on the Clyde: FPH Specialty Registrars Conference 2025

Frequently Asked Questions

1. Who can attend?

The conference is open to both UK and international Public Health Registrars.

In-person tickets are reserved mainly for UK Registrars as FPH members. A small number of in-person places are open to international Registrars. If these are not filled, the remaining places will be re-allocated to UK Registrars.

2. What are the costs?

The conference is free to attend for FPH Registrars as a benefit of their membership. A deposit is taken at the time of booking and will be refunded upon attending the conference, to avoid unused in-person tickets.

If you are not able to attend in person for any reason, you should cancel this ticket and you will be refunded the deposit in full. Study leave requests and claims for expenses should be made via your deanery.

International Registrars will pay a non-refundable fee of £60 to attend.

3. Will the event be available online?

Yes, please select an online ticket at registration and a link will be sent out in advance.

4. Will the sessions be recorded and shared?

This event will be recorded where possible and links to recordings will be shared with attendees after the event. We are only able to share presentations that we have received permission to share – this is at the presenters and the FPH's discretion.

The conferencing spaces at the venue are fully accessible. There is lift access to all floors and wheelchair spaces available in the Auditoria for those unable to transfer to a seat.
